18in Internal 5 pin USB IDC Motherboard Header Cable M/F

StarTech ID: USBINT5PINMF

The USBINT5PINMF 18-inch internal USB IDC Motherboard Header Extension Cable, extends the reach of an existing 5-pin USB Motherboard Header Cable by 18 inches. The added length makes it easier to connect multi-function front panels or any device that relies on internal USB ports, directly to a motherboard or expansion card that features a USB IDC (Header) connection; this eliminates the need to stretch cables by ensuring the connection you need is within reach, which then removes strain on motherboard connections.

Constructed of high quality materials and expertly constructed for durable performance, the 18in Internal IDC USB 5-pin Motherboard Header Cable is backed by StarTech.com's Lifetime Warranty.

Applications

- For use in a computer case or server case
- Extend the connection from a Rear USB Expansion board to the motherboard
- Extend the connection from front panel USB ports to the motherboard or expansion card

Features

- 18in extension cable
- Uses standard USB 2.0 pinout and color assignments

Technical Specifications

Warranty	Lifetime
Number of Conductors	5
Connector A	1 - IDC (5 pin; Motherboard Header) Male
Connector B	1 - IDC (5 pin; Motherboard Header) Female
Color	Black
Connector Style	Straight
Wire Gauge	24/28 AWG
Cable Length	1.5 ft [0.5 m]
Package Quantity	1
Shipping (Package) Weight	0.5 oz [14 g]
Included in Package	1 - 18in Internal 5 pin USB IDC Motherboard Header Cable

Certifications, Reports and Compatibility

RoHS Compliant
